

PAYS DAUGHTER FOR MARRYING ITALIAN NOBLE

Mrs. Mary C. Potter Jones's
Will Carries Out a Pre-
nuptial Agreement.

That Mrs. Mary C. Potter Jones, widow of Dr. John Jones, formerly of Morrisstown, N. J., agreed to settle \$50,000 upon her daughter, Miss Martha Potter Jones, provided she married the Marquis Giuseppe Lanza d'Anetia of Italy, was shown yesterday when an exemplified copy of Mrs. Jones's will was filed in the Surrogate's office at Morrisstown.

The marriage of Miss Jones to the Italian nobleman took place in Florence in December, 1904, but at the time no mention was made of a monetary agreement.

The will of Mrs. Jones further brings to light the fact that at the time of the making of the will she and her daughter, the Marchesa, were not on cordial terms.

Although the Marchesa is the only surviving child only the \$50,000 in fulfillment of the agreement at the time of the marriage is willed outright to the daughter. She is also to receive an income of \$5,000 a year, but the remainder of the estate, which is believed to be large, is left to the children.

of the nobleman and his American wife. In cutting off the Marchesa with only a small part of the estate Mrs. Jones had no doubt that her daughter had neglected and misrepresented her, although she says:

"I had done even more than my duty to my daughter."

Miss Jones also directed in her will that if she died in Italy she be buried in the Protestant Episcopal Cemetery at Testaccio, Rome, but if her death occurred while she was in this country her body was to be taken to Cincinnati and buried near the grave of her father. She died in Florence, and her wishes respecting her burial there were carried out.

Back in 1868 Dr. Jones, his wife, his son, Martin, and his daughter, Martha, settled in Mendham road, Morris Township. The doctor bought the Schenck, Holly and Anderson farms, and named the assembled acreage "Marion Farm."

Dr. and Mrs. Jones and their son were considered eccentric by their Morrisstown neighbors. Not so Miss Martha. It

was told of her that she tried hard to keep the family together and smooth out domestic wrinkles. Dr. Jones and his wife seldom were seen together and occupied separate wings in the house. Dr. Jones also owned a residence in Washington, where he and his family spent much of their time until 1903, when he was sent by this Government to Japan as an expert in the cultivation of tobacco. His mission followed an appeal from the Japanese Government to the United States to be taught tobacco cultivation.

Since then the family have lived abroad almost constantly. On the eve of Miss Jones's planned debut in Florence Dr. Jones died and a few months later the son Martin died.

About this time the Marquis d'Anetia came into the life of Miss Jones and the marriage followed.

Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save a majority of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium or morphia. They are in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. Castoria operates exactly the reverse, but you must see that it bears the signature of Chas. H. Fletcher. Castoria causes the blood to circulate properly, opens the pores of the skin and allays fever.

Genuine Castoria always bears the signature of *Chas. H. Fletcher*

by many women who have not visited

"La Promenade des Toilettes"

Trousers—is their idea of this style with which the Callot Secours have startled the world of fashion.

But the Turkish costume has a skirt that is perfectly dignified, and is quite the most artistically draped style of the season, even though it closely resembles Zouave pantalons.

All Sizes—NEW Designs and Colorings In This Unprecedented October Selling of WHITTALL (Anglo-Persian) RUGS HARDWICK & MAGEE (French Wilton) RUGS

Please Note ESPECIALLY
That Every Rug Is

PERFECT!

In choosing the rugs you need, at this important home-fitting time, from the REGULAR GIMBEL STOCK, you do not pay the penalty of buying DAMAGED Rugs for the sake of making a 25 per cent. saving.

The quantity of Rugs damaged in the explosion at the Whittall mills, which was too great to be handled by any one store, and was consequently split up among three large cities, had the effect of breaking the market on these usually rigidly price-maintained rugs.

Hence, while GIMBELS did not buy a solitary rug of the damaged lot, we DID reduce prices on our own fine, new-season stock of PERFECT FRENCH WILTON and ANGLO-PERSIAN Rugs—rated equally high by experts—to hardly more than you are asked elsewhere for spoiled Rugs.

Every size from the little 22 x 36-inch Bureau Mat, to the big 11 ft. 3 in. x 15 ft. Carpet, is represented in this collection of several thousand Rugs—with liberal variety in the favorite 8 ft. 3 in. x 10 ft. 6 in. and 9 x 12 ft. sizes.

Plenty, too, of the HALL RUNNERS, from 2 ft. 3 in. x 9 ft. to 3 x 15 ft., in such demand for carpeting new apartments just now.

The opportunity will probably never be duplicated—imagine buying a PERFECT Anglo-Persian or French Wilton 9 x 12 ft. Rug, usually \$60, in NEW—not discontinued patterns—for \$37.50. Are you going to miss it? Sixth Floor
